To Whom It May Concern:

I would like to voice my displeasure with your consideration
Of Low Power FM (LPFM) broadcast service. I have enjoyed
Listening to K-LOVE 91.1 FM for quite awhile and have been
Informed that this station may be interrupted or replaced if
LPFM is implemented.

K-LOVE serves me, my friends, and fellow residents of my
Local community, Clovis, California, greatly and I feel it
Would be a huge loss if K-LOVE were removed because of this
New change.

Listening to K-LOVE is a positive experience and all who listen
Are inspired and uplifted. How can this not be a plus to the
Community?

Please keep this radio station on the air as it shines a bright
Light and message to all who listen.

Thank You,
Beth Pursell
